MGNITION

The logo features the word "MGNITION" in a bold, italicized, sans-serif typeface. The letters are filled with a white-to-red gradient and outlined in a vibrant red. A horizontal red light streak cuts across the middle of the text. Below the letters, a series of red and white circuit traces and nodes are visible, suggesting a technological or digital theme. The entire logo is set against a solid black background and is enclosed within a thin white rectangular border.
